

Turn by Turn Guide

Stop reading. Start playing !

A new way to structure and present your board game rules.

Do you want to make start playing your game as easy as possible? Maybe even without reading through tons of rulebooks?

Turn by Turn Guide is the solution !

Quick Game Setup

For the quickest setup ever, you will find a simple animation to show you where to put all those impressive components of a board game.

Step by step

Turn by Turn will guide you through the setup and the game play step by step. You will get to know the rules hands on, while playing your first round.

Beautifully crafted App

We not only love board games but also beautifully designed things. That's why the app is beautifully and carefully designed and extremely intuitive to use.

Timelapse Videos

For visual guidance and to give you an idea how to start your game, you'll get videos to make it as simple and quick as possible.
